Attached please find a duplicate copy of the declaration in the above-referenced application. You previously mentioned that, on your copy of the declaration, the name of the third inventor was obscured.

The issue fee payment has been sent in this case; therefore, please confirm by phone that the three inventors will be named appropriately in this application. In case you cannot reach me at the office, my cell # is 310.775.1659.

Very truly yours,
